nestion is up for discussion:
'Resolved, That woman suffrage is

the college, was married to Miss Myrtle Walters, also a former student here, in Kansas City, on Dec. 20, 1909. Athlete Is Missed.

The fact that William O. Hall, of Nutt Station, has not returned to school is creating quite a disturbance in athletic circles, for he is captain of the basketball team and manager of the baseball team. He is an all round athlete, and will be greatly missed. Several miner injuries in football and eye trouble are the cause of his failure to

> Two of the five new students at Lo retto are El Paso girls. They are Amoret Cobb and Adeline Brown, and the three other Loretto girls are Irma Lowenberg, of Chihuahua; Pearl Wat-son, of Three Rivers, N. M., and Lois Holmes, of Bisbee, Ariz.

> A new concrete laundry for the convent and academy is one of the new improvements that is being made at Loretto this month. The laundry is to be 35 by 55 feet, and will be built entirely of concrete, and will be equipped with modern steam laundry machinery. The Loretto Literary club is a live

organization. In order to keep abreast with the times and to know what is going on in the world at large and in the southwest, the girls of the literary club have subscribed for The Herald, and the best paper in the southwest will be read before the club at its meetings.

PAVING WORK ON LAS CRUCES STREETS IS PROGRESSING.

Las Cruces, N. M., Jan. 11 .- The steam roller is working overtime these days. Las Cruces avenue, the leading residence street of the city, is being rolled and paved and paved and rolled, until it v.i.l resemble Montana street in El Paso, when it is completed Griggs street is due for a new coat of rock best in the valley. When they are completed, these two streets will be the prettlest in town and the property owners along Las Cruces avenue are al-ready planning for a uniform system of tree planting for the full length of the street, from Main street to the new sta-

Not only is Las Cruces making new streets, it is also keeping the one that has already been paved as clean as a dance floor. The Las Cruces street cleaning department at present consists of one Mexican with a wheelbarrow. As the paved district increases more men will be added to the force.

The solitary representative of the street cleaning department is an industrious inclvidual and he keeps the business street clean from convent to

NEW BRIDGE NEAR ANTHONY

HAS BEEN COMPLETED. Anthony, N. M., Jan. 11.—The bridge across the Rio Grande, between Authony and Chamberino, is completed. and its usefulness is attested by the large number of teams that cross daily.
Onethird of the work on the canal to straighten the river south of the bridge is finished, and it is expected to have

it all done next week.

Ties are being laid for a siding on the acknowledged preference, so the which to bring the railroad station that doctor's success with the new breed will is to be moved here from Las Cruces. The station is to stand on the Texas-New Mexico state line.

Interest Your Friends In El Paso's Growth

25,000 Copies of the Sky Scraper Edition

The yearly review edition of the El Paso Herald to be published early in January will give a most comprehensive summary of the growth and development of El Paso. In no other way can you give your friends so much reliable information regarding El Paso and the Southwest.

25,000 copies of the edition will be published. Orders are on file covering a large part of this supply, and all who wish to mail copies to eastern friends are urged to send in lists of names at once.

For the convenience of those wishing to send the Annual Review Number of The Herald to their friends the following blank is printed. Filled out with fifteen names and addresses any where in the United States, Mexico or Canada and enclosed with one dollar to The Herald office it will receive prompt attention and the papers will be forwarded to destinations without further trouble to the sender. For addresses in other countries add 5 cents each for postage.

A letter to your friends saying that you are sending them a copy of the Annual Review edition may induce more careful reading.

M., where the presents of barbara of have it cultivated. The ranch was purchased from John Gottman. the prospects of becoming a landowner

Taylor formerly worked in the Armijo barber shop on lower Main street, but later opened an "emporium" of his own on the upper end of the business street, where he managed to scrape a living together off of the faces of the

Taylor is going to Columbus to homestead a government claim, and is planning to take the striped pole with him for the first fence post in his 160 of good, New Mexico soil.

REVIVAL SERVICES OVERTAX CAPACITY OF CRUCES CHURCHES. Las Cruces, N. M., Jan. 11 .- The re vival services being conducted by evan gelists Finney and Hiett are attracting considerable Interest from the people of Las Cruces and surrounding country, so much so that it has become necessary to hold the evening services in the large hall of the armory instead of the Methodist church. The armory hall will be made as comfortable as possible for the evening services during this week, and evangelist Finney is desirous of having the opportunity of preaching to every man, woman, girl and boy in the community before the meetings close.

INTO CANALS BY FEB. 1. Las Cruces, N. M., Jan. 11.—Water will be flowing in the three ditches, which carry the lifegiving water to the fields of the Mesilla valley, by Feb. 1. according to engineer Earl Patterson, of the reclamation service, who is in charge of the Selden dam. A number of improvements are to be made in the main canal, which will be riprapped be-fere the water is turned into it, and the lower valley ditches will be cleaned in readiness for the first irrigation. There is now 3000 second feet of water

flowing in the river.

NEW RANCHERS ARE Las Cruces, N. M., Jan. 11.—Men who are making their presence felt in the affairs of the Mesilia valley are coming in on every train. One of the new ranch-ing firms to locate in the valley is Wil-& Snyder. This firm has purchased the Richard & McBride ranch, and are putting it all in alfalfa. They have employed an expert from the Agricultural college to superintend the ranch, which will be conducted as a model

NEW MAIN STREET BUILDING. Las Cruces, N. M., Jan, 11.—One of the las dmarks of Las Cruces has been torn down to make room for a modern building on Main street. J. P. Mitchell, owner of the old Mesilia valley bakery building, rear the First National bank building, has nad plans drawn for a modern store building with glass front and pebble dashed walls. The building

will be occupied by Tobe Tipton, of Tularosa, with a new drug store.

Monday, Feb. 7, 1910. 7561-D. G. Miller vs. Int. Water Co. WATER IS PIPED UP ON THE MESA

Stormsville To Get Water Supply from the International Company. Because it was costing him a consid-

erable sum each month to have water hauled to his home and the homes of his tenants on the mesa, D. Storms, of Stormsville-on-the-Mesa, has put in a pipe line, 5000 feet long, of two and a half inch pipe, from the International Water company's reservoir on the mesa pumped to the various houses on the

Mr. Storms's tanks are located 75 feet above the new International com-pany's reservoir and 100 feet above the old reservoir.

The capacity of the two tanks is 10,-600 gallons, and a triplex centrifugal pump will be installed for the purpose of pumping the water from the reservoir up to the tanks. A concrete pump house, in which the pump will be placed, has been erected and Mr. Storms expects to start pumping his water supply within a mouth or so.

KNIGHTS OF MACCABEES INSTAL NEW OFFICERS.

The Eiks will smoke and dutch lunch themselves tonight at the Eiks' home. It is a semi-occasionally affair, for El Paso antlered folk.

RESULTS SURPRISING.

You'le ce surprised at the results you will get from a small want, rent or for sale ad in The Herald. Will not cost more than 25c to 50c. Phone Bell 115, Auto 1115 and tell the girl

Deputy county clerk Edwin Fowler is confined to his home by an attack

What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heart-burn," beiching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred

If you have any considerable number of the above symptoms you are suffering from bilious-ness, torpid liver with indigestion, or dyspepsia. Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle-wrapper and attested under oath. A glance at these will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine, of proper strength, from the roots of native American medical, forest plants. World's Dispensary Medical Association, Props., Buffalo, N. Y.
